Chapter 24 What's a Colony?

Primary sources give first hand information about a subject. These materials - artifacts, diaries, photographs, legal documents - are records of events made by eyewitnesses.

Secondary sources are descriptions or interpretations of events by people who weren't eyewitnesses.

Identify the primary sources in this chapter.

1. Seal
2. coins/shillings
3. \$40 bill
4. letter

Identify the secondary source in this chapter.

5. Painting on pg. 93

6. What is a colony? A colony is a place that belongs to another country.

7. How long did colonial times last? The colonial times lasted 169 years.

8. List the following:

New England Colonies

Massachusetts
New Hampshire
Rhode Island
Connecticut

Middle Colonies

New York
New Jersey
Delaware
Pennsylvania

Southern Colonies

Virginia
Maryland
North Carolina
South Carolina

9. What natural barrier formed the western boundary of the colonies? The Appalachian Mountains.

10. What Dutch Company owned most of the colonies? Dutch West India company

11. Look at the picture on page 93. Write a sentence or two telling what each person in the illustration is doing.

1. The baby on the floor is playing with a toy.
2. The little boy standing next to the baby is eating something out of a jar.
3. The woman in the back is spinning yarn with a spinning wheel.
4. The woman sitting by the fire and cooking food over the fire.
5. The woman in the far back is churning butter.
6. The woman standing by the man is rolling dough.
7. The man is peeling the apples for a pie they will make.
