1 Why did people think Elizabeth Parris, Abigail Williams and other young girls were

4 pts. People thought they were bewitched because  
bewitched? It is because they said ridiculous things like there was a yellow bird on the ministers head,

-1 they barked and mewed like the animals, telling stories of torture and witchery and their screeches grew louder.

2 How did the girls spread witch fever? They spread witch fever by scaring everyone with stories of witchcraft  
and torture.

2 pts. It was this tragic period that led to false accusations, witch trials, and  
hangings. It turned to suspicion among neighbors and mass hysteria. Also there was religious fervor.

2 pts. He says that because if you are an  
American you are descendant of Puritan at least a little.

2 pts. It was because  
everyone was scared of the witchcraft and the judges too so the author said that.

2 pts. The sad lesson the people learned was  
that something devilish did die in that little town of Salem. It was the belief in witchcraft.
