Name L O Z

What are you liking most about this book? I like how this book
is similar to Hatchet and how Brian is trying to survive.

As you are reading this book, be aware of the emotions it causes in the reader. **What are some of those feelings?**
For example, compassion, fear, curiosity, disgust, understanding, hope, etc.

List 2 or 3, then discuss one **emotion** and the scene that caused it.

frustration, anger, fear

one emotion happened that was frustration because

when the he felt a few drops he said not again-not rain.

He felt fear when a wind in the north west howled

which made Brian wake up in the middle of the night and made him

Discuss a connection you had while reading this book. What did it make sit bolt upright
you think of that was outside the text? Reminder: Text to text, Text to Self, or Text to World in fear.

It makes me think of camping how you are out in

the wilderness surviving just like Brian is.

What is one prediction you made before you finished this assigned reading? I predicted that a person would find Brian.
