16. No lamps or lights, but streets of sands.  
17. Everything at a high price.  
18. Do you think the author's opinion of the city is mainly positive or negative? Negative

19. Explain. Use evidence from the poem to support your thinking. 2 points.

I think it is mostly <sup>negative</sup> because the water is bad for you to drink.  
Another <sup>thing that is bad is</sup> frightful creatures in the water, <sup>also</sup> every thing is very  
expensive. The weather is very bad it goes from hot to cold,  
this is because it is dangerous for young and old. Also  
the weather is unhealthy.
