

MIXED Emotions

In Chapter 26, Callie experiences a multitude of emotions. Start with the beginning of the chapter, and document the reasons she is feeling each of the emotions. 5 points

EXCITED

she was excited when she and granddaddy got

telegram

that said they

discovered a new species

JOYFUL

she was joyful because granddaddy and her won a

place in

science books.

ABANDONED

Callie felt abandoned because granddaddy was

collecting stuff with out

Callie

DISAPPOINTED

she was disappointed because she felt like she wasn't needed.

HOPELESS

she thought it was hopeless when she couldn't find her granddaddy.

3 pts.

What Christmas present is Callie referring to on page 308? Why would she rather be looking for water striders? Be specific.

The Christmas present is The Science of Housewifery. She is looking for water striders because she doesn't want to read that book.

3 pts.

Do you think it was impolite of Granddaddy to not share the telegram's message with those people waiting in the parlor? Why or why not?

No because they should just keep it to themselves until they know about it.

What do you mean?

themselves

2 pts

What will the plant be named?

The plant is named *Vicia* + a + in

2 pts

Why?

It is because it is a new species of vetch and an unknown species so they decided to name it that.

2 pts

What was Granddaddy's reaction to the news about the vetch?

When Granddaddy heard the news he said yes and he was happy about it.

3 pts

Were you surprised by it? Why or why not?

No because I knew it was going to be a new species a long time ago.
