Name Loz

## A Snowy Situation

Circle the correct spelling of each word in the box. Then write each correct word in the sentence where it makes the most sense.

1. While we were on the highway, we spotted a very aggressive driver.

2. He was weaving between lanes, using alternate turn signals as he moved.

3. To make matters worse, we were driving in a blizzard <sup>apparent</sup>.

4. It was apparent that the safety of many travelers was at risk.

5. Mom was a very reliable motorist, and we were reassured by her careful driving.

6. She calmly navigated through the blowing snow and slippery roads.

7. Eventually, we noticed that a police officer had pulled over the dangerous driver.

8. We were reassured that he would not endanger any other drivers or passengers.

9. As we moved cautiously in the icy, frigid weather, we were eager to get to our destination.

10. Weary and a bit exasperated, we finally arrived at my grandparents' home.

11. Grandpa and Grandma were marking an incredible achievement, their 40<sup>th</sup> wedding anniversary.

12. Instead of celebrating with punch and cake as they had done at their wedding, we were happy to share an immune pot of hot chocolate!
