Visualizing

List words and phrases that helped you visualize what was happening when the Nazi soldiers visited the Johansen family's apartment in chapter 5.

When the Nazi soldiers visited this apartment they said where did you get the dark hair? From a Jewish father? From the milkman?

How did you feel about the Nazis who visited? Why do you think you feel that way?

I felt like the Nazis who visited were rude. I felt this way because they were really mean, they pulled Ellen's hair, they ignored the Johansens and ordered them.

List words and phrases that helped you visualize what Annemarie was seeing while looking out the train window and arriving in Galleleje.

Annemarie saw deer hiding in the trees, the Baltic Sea, and the cloudy October sky.

Do you feel that the countryside is more safe than the city back home in Copenhagen? Why do you feel the way you do?

I feel like it is more safe because the countryside is not overrun with Nazi soldiers but Copenhagen is.

~~Group Work:~~ Reread chapters 1-6 to find descriptive phrases that help you visualize what is happening in the story. Discuss the phrases in the group. Which descriptive passage do you like the most?

Why or why not? Explain!	Transition Word	I agree with her decision because if they all leave that will be dangerous but if Papa stays behind they will not suspect it.
Clincher: <u>THE CLINCHER OF WHY PAPA SHOULD STAY BEHIND IS BECAUSE THE SOLDIERS WOULD SUSPECT THEY WERE DOING SOMETHING WRONG OR THEY TRANSPORTING A JEWISH PERSON TO ANOTHER PLACE.</u>
