Chapter 21 Connecticut, New Hampshire and Maine Name LOZ

Use words from the word bank to complete each sentence.

**governor**

**colonization**

**charter**

**proprietor**

1 John Winthrop II went to England to get a charter, from King Charles II so that Connecticut could rule themselves.

2 colonization is the process of settling and establishing control over native people of an area.

3 New Hampshire was part of Massachusetts, with John Mason as its governor, or property holder.

4 A proprietor, the person in authority of a colony, was a representative of the British Crown.

Read pg. 84. Compare and contrast Indian and European views of ownership and use of land.

**Ownership of Land**

5. Europeans believed ... in the ownership of land,

6. Indians believed ...

in the harmony of the land,

**Use of Land**

7. Europeans believed ...

that you shouldn't care about nature.

8. Indians believed ...

that you shouldn't harm nature.

9 Thomas Hooker and his 100 followers moved to the Connecticut when they left Massachusetts.

10 Other people moved from Massachusetts because it was crowded and

there was better farm land in Connecticut.

11 The Fundamental Orders was the constitution of the Connecticut River colony.

12 Once European settlers took land from Native Americans they cut down trees, filled in swamps, and killed animals and birds.

13 The king of England felt that he owned New England. This is evident by the following actions:

he gave a Magna Carta to the Connecticut colony and he gave large amounts of northern land to two of his friends.

Look at the map on pg. 82 Consider the locations of New London, New Haven and Hartford

All are located on the coast or a major river. In what ways would this benefit the colonists?

1. They have water to drink from the rivers,

2. They can grow food with water.

Not quite...
