1. Should the Johansen family continue to hide Ellen? Why or why not? Make sure your reasons for your answer make sense (logical).

2. What should the Johansen family do next? Think about this for a few minutes then answer. Why do you think this is what they should do?

1) I think the Johansen family should continue to hide Ellen because there ~~there~~ *they're* the Rosens friends and they should hide Ellen so that she isn't arrested.

2) I think the Johansen family should continue to hide Ellen because if they don't Ellen could get arrested and ~~if~~ *should* they continue to hide her until every Danish Jew is released.
